

A UNIQUE EXPERIENCE IN THE SWISS ALPS FOR 5 -16 YEAR OLDS

La Garenne is once again hosting its prestigious 2022 Summer Camp programme in the heart of the beautiful Swiss Alps.

2022 will be a Summer Camp like no other. Safe, and free from almost all restrictions for the first time in two years, we will be offering our biggest activity programme yet.

La Garenne International School offers children the chance to spend a few weeks in the clean, fresh air of the mountains, supervised and supported by dedicated, experienced staff.

Accommodated in stylish boarding houses, your child can expect a stimulating programme of daily activities, trips and sports plus language learning and making new friends at every step of the way.

Private lessons in golf, tennis and football are available. We employ professional coaching staff to help your child reach their full potential, whatever their level.

La Garenne is located in Villars, one of Switzerland's top ski resorts, and enjoys stunning alpine views and an excellent summer climate.

La Garenne is owned and run by the second generation of the Swiss Méan family and retains its historic character as a friendly and caring community in the heart of the Swiss Alps.
